2020-2021

Dear Portland Tower Homeowner:

Your association has purchased a Master Insurance Policy on behalf of all owners at **Portland Tower Association**. A portion of the assessments you pay as a homeowner goes towards payment of this policy. It's important to understand the coverage provided through this master policy and what you, as a homeowner, should insure separately. The following is a summary of insurance provided.

Master Insurance Policy. Covers exposures that are common to association owners and must be insured per the association's governing documents. Contained within these governing documents is specific language addressing the "depth" of coverage. The association has determined that the master policy provide "**All In**" coverage also known as '**Walls In**' coverage. This means that the master policy covers the common elements and improvements and betterments made to individual units by the declarant and/or the individual unit owner. The unit owner would be required to insure any personal property, including decorating.

Property. The master property policy is written on a Replacement Cost Valuation basis and includes a 150% Building Valuation Enhancement that provides an additional 'maximum' limit of \$5,000,000. The property deductible is **\$10,000 Per Occurrence.** If more than one unit were damaged in any one occurrence, unit owners affected would share in the **\$10,000** deductible.

General Liability. The master policy provides liability coverage for the association with limits of **\$1,000,000 per Occurrence** and **\$2,000,000 Aggregate** per policy year. This coverage is for third party claims of bodily injury or property damage resulting from normal operations of the association.

Umbrella or Excess liability. The association has purchased additional liability limits. Limit is **\$5,000,000 per Occurrence** per policy year.

Directors & Officers Liability and Employee Dishonesty. The association has purchased this coverage.

In addition, it is very **important** to have coverage under a **HO6 Homeowner's Policy** to close gaps and cover potential claims not covered under the associations master policy. The following page provides a list of specific items to review with your insurance agent prior to purchasing a HO6 policy.

Each Unit Owner is encouraged to purchase an **HO6 Homeowners Policy** for protection of the following:

1. **Movable contents (Personal Property)**. Here you would identify a dollar value for personal property items such as clothing and furniture.
2. **Loss Assessment Coverage**: This section of your policy should be at a minimum of \$10,000 to match the \$10,000 property damage deductible in the master property policy. In the event there is a need for the association to pay for repairs from disasters that would not be covered by the Association's Master Policy; the Association can assess the Homeowners/Unit Owner per the Uniform Condominium Agreement. This would cover such things as deductibles and uninsured or underinsurance situations. **Please verify with your Personal Lines agent that the insurance carrier you have selected will pick up at least \$5,000 should you be assigned this responsibility; higher limits are recommended. Some carriers have limitations on this coverage.**
3. **The HO6 Deductible**: This is the amount you are willing to self-insure. If there is a loss this is the amount you are willing to pay. Your insurance company will offer options.

It is important to give this letter to your personal lines agent to make sure you purchase the proper coverage.

Kraus-Anderson Insurance can assist you with a HO6 - Homeowners Policy. Please complete the attached form, and return to Matt Akin, Personal Lines Advisor. (Contact information on form).

This is a short summary of the coverages under the Association's Master Insurance policy as they relate to your HO6 policy and your Association's documents. If you have questions, please call or email me.

Sincerely,

Deborah L. Daniels, CISR, CIC | Account Executive
